PIONEERING TIMING TECHNOLOGY

Since 2011, we have been focused on timers' needs.
When you use URTIME solutions, you:

- ▶ Enjoy our automatic, easy to deploy solutions. No need for volunteer help.
- ▶ Manage your fleet of timing hardware from a smartphone during the event.
- ▶ Enjoy seamless API integration with scoring solutions (Wiclax, Livetrail, Raceday Scoring...)
- ▶ Save money with our affordable timing hardware & tags.
- ▶ Broadcast via satellite wherever you need.
- ▶ Rent equipment from us or other timers.
